The Margaret Eaton School Alumnae  
March 15th, 1950.

Dear Alumna:

This time last year we wrote to tell you that Miss Somers was retiring from the Staff of the School of Physical and Health Education. As a result of your contributions, we were able to present her with a most attractive silver tea set and tray with which she was delighted. Our Alumnae dinner at the Granite Club last May was quite one of the most successful ones we have ever had.

This year, unfortunately, we are to say good-bye to someone whom most of the Alumnae know personally and everyone knows through the "Newsletter". It will be a great blow to many of you to hear that Miss Layton will no longer be behind the desk at 415 Yonge Street waiting, as she has done since 1926, with an open hand to greet any member of the Alumnae who could drop in. Miss Layton is retiring from the University in June. We owe her a great debt of gratitude for all she has done. Each one of you, we know, will want to add your donation so that we may express our appreciation to her in a tangible way, worthy of all her efforts on our behalf. Will you please send your contributions to our new Treasurer:

Mrs. Beatrice (Goad) Brammall,  
By April 15th, 1347 Mount Pleasant Road,  
if possible. Toronto.

Our Bursary Fund has now reached the grand total of \$420.00. The September Camp at Tanamakoon has been discontinued in favour of a co-educational Camp Course to be held on the Campus at the University of Toronto, May 8th to 13th, 1950. At the last meeting of the Toronto Alumnae group, it was unanimously agreed to provide two Bursaries of \$25.00 each (or three Bursaries of \$15.00 each, whichever proved most suitable) to cover the fee (\$5.00) and living expenses of two or three girls during that period. The recipients, as before, to be selected by the Staff of the School.

We know that you will be interested, as we are, in our Bursary project and we will be reporting to you on further developments from time to time. The purpose of this particular letter, however, is to advise you of Miss Layton's retirement and to give you an opportunity of contributing toward our gift to her. If you live out-of-town and cannot possibly attend our Alumnae dinner in May, perhaps you would like to enclose a short note which we could read aloud to Miss Layton at that time.

We will be looking forward to hearing from you soon.

(Signed) Helen Parsons.

Send your donations now.

It is up to every one of us to help build a capital fund.
